FEW PEOPLE REALIZE The Danger in That Common Disease Catarrh.

Because catarrhal diseases are so ommon and because catarrh is not fatal, people too often overlook and neglect it until some incurable ailment developes as a result of the The inflamed condition of the mem-

brane of the nose and throat makes a fertile soil for the germs of Pneumonia and Consumption, in fact, catarrhal pneumonia and catarrhal consumption are the most common forms of these dreaded diseases which annually cause more than one quarter of the deaths in this country.

Remedies for catarrh are almost as

numerous as catarrh sufferers but very few have any actual merit as a cure, the only good derived being simply a temporary relief.

There is, however, a very effective

rapidly beoming famous for its great value in relieving and permanently curing all forms of catarrhal diseases, whether located in the head, throat, ungs or stomacl This new catarrh cure is principally composed of a gum derived from the Eucolptus tree, and this gum possesses

extraordinary healing and antiseptic properties. It is taken internally in the form of a lozenge or tablet, pleas-ant to the taste and so harmless that children take them with safety and benefit. Eucolptus oil and the bark are some times used but are not so convenient nor so palatable as the gum.

Undoubtedly the best quality is found Stuart's Catarrh Tablets which may be found in any drug store and any catarrh sufferer who has tried douches, nhalers and liquid medicines, will be surorised at the rapid improvement after few days use of Stuart's Catarrh Tab lets which are composed of the gum of the Eucolptus tree, combined with other antiseptics which destroy the germs of catarrh in the blood and ex-

I have always had the best results from Stuart's Catarrh Tablets; the red gum and other valuable antiseptics con-tained in these tablets make them, in my opinion, far superior to any of the numerous catarrh remedies so extensively advertised. The fact t Stuart's Catarrh Tablets are sold drug stores, under protection of a trademark, should not prejudice conscientious physicians against them be-cause their undoubted merit and harm-less character make them a remedy which every catarrh sufferer may use with perfect safety and the prospect of
